

The show must go on.

Empty spaces, who are we waiting for?
some new singers, I guess we know the score, on and on
Does anybody know who we are looking for?
another hero , another man for us
Behind the curtain, in the pantomime
Hold the line Does anybody know who we are waiting for...

Show must go on
Show must go on, yeah
Inside my heart is breaking
Our makeups may be faking
But we smile, still, stays oooon

Whatever happens, we dont leave it all to chance
need several new ones, moore men to come, one by one
Does everybody know what we are looking for?
I guess w'are learning
we must be younger now
w'll soon be turning, round the corner now
Outside the dawn is breaking.....But inside in the dark -w'are not faking

Show must go on
Show must go on, yeah
Inside my heart is breaking
Our makeups may be faking
But we smile, still, stays on

*Our souls are painted like the wings of butterflies
Fairy tales of yesterday, grow but never die
We can fly, my friends*

Show must go on..... yeah yeah
Show must go on . yeah
w'll face it with a grin
We never giving in
w'll top the bill.....w'll overkill.....w'll have the will to carry on
On with the show
Show **must go on**.....
